

COMMENTS & TESTIMONIALS

Below is a few of the comments from participating Students and Parents:

this was a great program, for children
and family's

This program has been full of valuable information

Thank you!! Great class

Good class

Thank you! You were very helpful.

I learned that to get respect,
~~I have~~ I need to have self respect.

nothing, wonderful program

really helpful.

Great class for students & parents

~~everything~~ everything was great and helpful.

I enjoyed the class

The class is good

loved the class, it helped me realize so much.

Really good program, inspirational

muy explicado todo gracias.

que da mucha ayuda el programa

With a little of perspective you can have a life of entire purpose.

It was good made me realize it.

Esta clase es buena para los padres y los hijos muy claras y específicas me gustó mucho el Señor Leo Gutierrez no la diera

This class is very good.

This is a good program.

That truancy is life changing and
can lead to everything else.
Great job thank you...

I really liked the class we get to solve
or problems and family problems.

I would like to volunteer for this.

I like this program

This is a great program

El maestro fue un excelente, e con los familiares

I have learned to ignore bad influences and not to do drugs because it can ruin my life.
This is a great program!!

A lot of important things to take in consideration

The class was excellent

I learned to be a better person
to think situations through
THIS a great class

Great help and advice from the teacher
from this session.

Muchas gracias

Thank you for helping me think more positive

this program is great

muy importante todo lo que
aprendi, muchas gracias por este
Programa

Thank you guys for all the information!

it was great communicating with other people, and helpful for the things they say to make us change

Beneficiosa Gracias

Communication is the key!

was wonderful

It was great

Good program, communication w/ parents, good advice

I think this helped a lot, gave good advice

Informative

Gracias por la clase

10. What have you learned from this program that is helpful to you and/or your family?

Oh! a lot such as there are somethings my youth does that is rudeness culturally, but the program advises that her parents cultural believe should be respected eg not to walk away, maintain eye contact

11. Additional comments, please:

This program is very educative to both the students & the parents

This was a good class. I learned new things.

10. What have you learned from this program that is helpful to you and/or your family?

I have learned respect what it is. And what violence is and how you make situation's better.

11. Additional comments, please:

I learned thing I did not know.

Todo estubo muy bien gracias
me a servido mucho.

10. What have you learned from this program that is helpful to you and/or your family?
